

CHILD PROTECTION AWARENESS

Overview

This training is aimed at all staff who are responsible for children in either a residential or community setting. It gives delegates an enhanced insight into child protection issues and helps them develop an understanding of the factors associated with safeguarding children. Delegates will gain the vital knowledge and skills they need to manage a range of child protection situations, identifying types of abuse and reporting and recording it appropriately.

Outline of Programme

- Defining the client.
- Types of abuse.
- How to identify when a child is being abused.
- Duty of care.
- Whistleblowing.
- Child protection agencies.
- Case studies.
- Record keeping and effective reporting.

Assessment

Child protection awareness training takes around 3 hours and delegates may be expected to engage in several group activities. Our experienced trainers will be on hand to help guide participants through these sessions and a certificate will be awarded upon completion.

Cost

Our courses are competitively priced, and we aim to beat any equivalent training quote.
