

EPILEPSY AWARENESS

Overview

Epilepsy awareness training is designed for anyone working in the care sector but is especially suited to staff who are new to working with those suffering from epilepsy. The course teaches delegates about the causes and effects of epilepsy, as well as ensuring that they know correct ways to care safely for someone who is having an epileptic seizure; this will cover the various types of seizure and how their effects may differ.

Outline of Programme

- Introduction to epilepsy.
- Causes of epilepsy.
- Signs and symptoms of seizures.
- The various types of seizures.
- Safely caring for someone having a seizure.
- Documentation after a seizure.

Assessment

The epilepsy awareness course runs over 3 hours and delegates will be expected to engage in several group activities. Our experienced trainers will be on hand to help guide participants through these sessions and a certificate will be awarded upon completion.

Cost

Our courses are competitively priced, and we aim to beat any equivalent training quote.

Important Information

- The training venue should be quiet and undisturbed.
- Staff should not be expected to be on duty.

- Staff attending should remain for the entire length of the session.
- Flexible dates available.
- Call to book a day that suits you.
