

PARKINSON'S AWARENESS

Overview

This course is primarily aimed at individuals who are employed, or looking to work, in the healthcare sector. Training provides delegates with a greater awareness and general understanding of the life altering consequences of Parkinson's and the challenges facing those who have it. Delegates will learn about the causes of Parkinson's, how to identify the signs, and the available methods of treatment.

Outline of Programme

- What is Parkinson's?
- Understanding the symptoms of Parkinson's.
- What causes Parkinson's?
- Treating Parkinson's.

Assessment

Parkinson's Awareness takes around 3 hours and delegates will be expected to engage in several group activities. Our experienced trainers will be on hand to help guide delegates through these sessions and a certificate will be awarded upon completion.

Cost

Our courses are competitively priced, and we aim to beat any equivalent training quote.

Important Information

- The training venue should be quiet and undisturbed.
- Staff should not be expected to be on duty.
- Staff attending should remain for the entire length of the session.
- Flexible dates available.
- Call to book a day that suits you.
